[Contact HFS](#)

Package notifications via text message

HFS will contact you when your package arrives and again to confirm it has been picked it up. These notifications are sent to your UW email address. Package notifications may also be sent by text message to a domestic cell phone number.

Be sure to also add dkssrv@uw.edu to your email account safe senders contact list to receive your package notifications.

*** Would you like to receive package notifications from HFS via text message to your domestic cell phone in addition to the standard email notification?** No
